Dear Ms. Kitchen,

I am in receipt of your letter dated June 21, 2000 indicating that The Freedom Project may have made an excessive contribution to the Don Sherwood for Congress Committee. The Freedom Project has checked our records and established that the check to the Sherwood Committee dated 3/27/00 had in fact been designated as a general election contribution on the face of the check. Thus, rather than making an excessive contribution the Freedom Project simply made a typo on our report. Therefore, please treat this letter as an amendment to The Freedom Project's April Monthly report changing the designation on the Don Sherwood for Congress Committee contribution from primary to general as was reflected on the check.

Thank you for bringing this matter to our attention.

Sincerely,

Bruce A. Gates
Treasurer
